Background Dr. Nelson is a Clinical Associate Professor with the Department of Pediatric Dentistry at the University of Washington. He maintains hospital privileges at Seattle Children's and is actively involved in dental treatment for all children. He supervises dental students and residents and cares for patients in the dental surgery center.

### **Travis Nelson - UW School of Dentistry**

The Handbook of Clinical Techniques in Pediatric Dentistry provides the clinician with an increased level of expertise and skills for timely identification and intervention for various presentations in the developing dentition. It also clearly describes procedures for treatment in the primary and young permanent dentitions, including pulp therapy for primary and young permanent molars, extractions, space maintenance, and more.
