Open Textbook Library

A textbook is a book containing a comprehensive compilation of content in a branch of study with the intention of explaining it. Textbooks are produced to meet the needs of educators, usually at educational institutions. Schoolbooks are textbooks and other books used in schools. Today, many textbooks are published in both print and digital formats.

Effective textbook reading is a key study skill for student success. Nearly every class makes you read them. 'Makes' is the right word here. 'Requires,' 'forces,' or 'insists' will also work. Few people read textbooks unless they have to. If you read textbooks for fun, shoot me an email. I need to interview you, because I don't think you exist. Reading textbooks is weird. That's right - weird ...

4 Steps to Reading a Textbook Quickly and Effectively

These notes are in the process of becoming a textbook. The process is quite unfinished, and the author solicits corrections, criticisms, and suggestions from students and other readers. Although I have tried to eliminate errors, some undoubtedly remain|caveat lector. Many typographical infelicities will no doubt persist until the final version.
