Body purists will reject any form of bionic enhancement. This will be an issue when replacing (badly) permanently damaged/destroyed body parts. Some traits will bring both benefits and harm: Trigger-happy colonists fire faster but are less accurate, while careful shooters shoot more accurately at the cost of a longer aiming time.

The Buddha was a great storyteller and often told stories to get his message across. Stories were also told about the Buddha by his followers both to explain and understand the Dharma. These stories have been passed down to the present day and the most popular ones are the Jataka tales, a collection of hundreds of tales about the Buddha's past ...

THE BASIC TEACHING OF BUDDHA

The Wounded Healer is initiated into the art of healing through some form of personal hardship—anything from an actual physical injury or illness to the loss of all one's earthly possessions. Regardless of the shape of the wound, the challenge inherent in this initiation process is that one is unable to turn to others for help beyond a ...

One of the most concise and cogent descriptions of these often strident times came from Joseph Cardinal Ratzinger in 1986. It is contained in, of all places, his treatise on the theology of sacred music in a book called *The Feast of Faith* (Ignatius Press, 1986). His comments have been republished in a larger compendium of his works, *Collected Works: Theology of the Liturgy* (Ignatius Press, 2014 ...
