To this day, over 100 years later, we still look back on the horrors of that "Great War" with confusion. For so long we have been told non-answers about incompetent generals and ignorant politicians. "It's the senselessness of war," the teachers of this fraudulent and partial history have told us with a shrug.

In my job out of college as a consultant, one of my projects involved visiting public school classrooms in Ohio and talking to teachers, and their view was very much that teaching-to-the-test was constraining them in some unhelpful ways. But this is another topic that requires a book- or thesis-length treatment to really evaluate properly.
