In refugee camps, where technology and other teaching tools may be limited, blackboards are the key to learning. They allow teachers in makeshift classrooms, outdoor learning spaces and school buildings to convey important information to their students. You can provide a blackboard for a classroom in a refugee camp or host community for \$120. 4.

You can give refugees the gift of education

Since the Refugee Act of 1980, the U.S. has allowed more refugees than any other country in the world. The Trump administration now cut that number by more than 80% down to 15,000 refugees per year.

The U.S. decreases amount of refugees allowed per year

Why do you think other Americans should join you in supporting refugees? At one point in time, everyone's family was a refugee and I think that we have to remember that. We're here to both honor the people that came before us and recognize their struggles, but we're also here to give a gift to the future.
